#### CONSTITUTIONAL AMENDMENT NO. 2

*Proposed by the 96th General Assembly  
(First Regular Session) HJR 2*

Shall the Missouri Constitution be amended to ensure:

- That the right of Missouri citizens to express their religious beliefs shall not be infringed;
- That school children have the right to pray and acknowledge God voluntarily in their schools; and
- That all public schools shall display the Bill of Rights of the United States Constitution.

It is estimated this proposal will result in little or no costs or savings for state and local governmental entities.
